Summary

Feedback of Asst. Prof. Mrs. Pratibha Deshmukh (Principles & Practices Of Management)

1. Coverage of Syllabus

100% Completed	31	88.6%
75%	4	11.4%
50%	0	0%
25% or lesser	0	0%

Remarks

Good

Yes our total syllabus will be completed before examination

All syllabus is completed.

good

Some topics need revision

Nicely done

Understanding syllabus

Good teaching but demotivating

95% complete

All completef

Good

taking all points

All the syllabus is completed.

Good.

Good

the way she teach with example is the best way i get to learn about eco

Our ppm subject syllabus is completed

Coverd everything

Need revision

Need of revision

case late not completed

Sum topic need revision

Although 100% of syllabus is completed but not even half was understood

Good performance

yes. syllabus is completed

completed very vell

PPM subject cover as 70-80% but ending time very fast cover the syllabus

good teaching skills and more knowledge about current affairs

2. Use of examples, case studies, graphs, diagrams, syllabus related activities like seminar, GD, PPT, etc.

Effective / Usually	20	60.6%
Partial	11	33.3%
Not used / Rarely	2	6.1%

Remarks

Yes

Yes I use this all

Arranged external activities are helpful for understanding each subject.

not good

I understand this

Seminar n graphs

Should keep it on

Rarely used

All examples have been completed

did not take any case study and seminars

All the examples are given properly for any work and graphs are also explained properly.

Easy to understand

Good

examples related to topic is are perfect,case studies yet to be explained,gharphs of eco are nice

Through seminar I got experience

Some times it is hard to relate the actual theory woth the examples.

Case study taken

Not taken case studies

use it

Case study not solv

She gives examples so v don't understand the concept

Remaining case study GD other complete

yes. every-time in need

effective

no more extra ordinary examples use,related as the managerial point of view and to situation based on,at this stage or situation marketing field..

she takes lot of examples and solve all quires

3. Understanding of the subject by student, clearing doubts (syllabus related)

Greater	13	39.4%
More than average	12	36.4%
Average	8	24.2%
Poor	0	0%

Remarks

Good

Better

Yes I clear my doubts

doubts are cleared with proper examples.

good

Doubts solved when asked

All doubts clear

Totally understand

Best understanding

Doubts are cleared

Student doubt and query very easy to solve

not clear all concepts

I do understand whatever is been taught. All the doubts are cleared in a good way.

Good

yes i do understand everything some things are too huge to understand

Yes I understand the subject

Problems in understanding examples . Thus points are not clear .

Doubt clearly

Not understanding exactly

some are cover

She is happy for we don't ask her doubts and we see less efforts in her

Case study related problems

yes. i understand it.

they

i am not to know about other students but in my point of view all answers to give me other queries.

she clears all the doubt

4. Expectations of students fulfilled by the staff: (Notes of important points, notes of important questions, question bank, etc)

Full	14	42.4%
Partial	13	39.4%
Below Expectations	6	18.2%

Remarks

Better but explain in marathi also

Yes

Question banks are given which is helpful for study.

i want question bank

Excellent

Want notes

Sum of the given

Good

Ques bank cleared

Give the import points,notes n questions bank for students blow expectations.

not give any note important question and points

Notes and important points are provided.

Better

Please show some case studies

she keeps on telling whats imp but we need more question banks

Yes they give us important questions

Still not able to understand how much material is required in the paper. Case study is still not clearly explained .

Important question given

Not given notes

comleted

Actually her expectations are high from us

Good

yes. our expectations are fulfilled

imp point

not to total points staff to give our class but some important to suggest them.

she gives all the important questions and notes also

5. Assignments, Seminar

Yes

Nice

Through assignment I got knowledge for examination

My confidence level is increased because of these types of assignments & seminars.

maam can't take seminar

Still not done

No seminar

Ya I participated

Viva

Always participated

Not taken yet

Seminar is pending

I am participation in assignment and seminar.

not take any assignment and seminar

I do complete my assignments.

to be true i dont like writting assignments seminars are good n it should be taken for stage daring

Now I get confidence to give seminar

No problem.

no camment

Good

no

good.

i dont have any difficulty in assignment and all

6. Motivation by the staff

High	18	54.5%
Medium	13	39.4%
Low	2	6.1%

replied.

not good motivator

All teachers doing nicely

Motivated mam

Demotivating

Medium

Too motive

All staff are good motivation for all students.

not motivate students

Mam do motivate in a good way.

some times i need motivation to cope up and her extra knowledge makes me feel why i am doing MBA

They motivate all of us every time

Excelent

Motivate students

Need of motivation

yes motived

She demotivates the students n do mostly so no one is able to understand

Good support

Yes. she motivate us.

yes

to use huge examples other extra ordinary work,something as group competition seminar and G.D.

all staff motivates us in proper manner and gives proper guideline

7. Suggestions for improvement (general)

No

No

All is well so no suggestion.

Taking activities related syllabus

Expect detailed teaching

Attended

Case study not solving

Need to motivate and not to insult and partiality not needed

Important points not given

Need to take some activities

Support the all students for better performance .

take revision

No suggestions required.

no suggestions beacuse i feel i should improve my knowledge.... and i am quite irregular in participation n activities

Please give us the assignment and seminars early that is before a month frm exam so that we get time to study .

Need of Revision

marks by attendans

Change the attitude

Plz Ma'am stop demotivating students through this ur expectations also shall be fulfilled

Good

Nothing special suggestions.

no

TO USE SOME EXAMPLES AND EXTRA WORK

all teachers are intellectual and my suggestions is only that the world is changing day by day and they also come with new and innovative ideas.

Feedback of Asst. Prof. Dr. Sweta Metha (Management Accounting)

1. Coverage of Syllabus

75%	2	6.1%
50%	0	0%
25% or lesser	0	0%

Remarks

Repeat lifo fifo

All syllabus is completed

very good

Completed well in advance

I like it

Good

Nice teaching

Best

All has been completed

Good knowledge for the accounting.

complete all points and take examples

Syllabus is completed.

Excellent

Very good

according to me she should take once revision of all topic

They complete our syllabus in time

Excellent maximum types are covered.

Covered syllabus

Covered syllabus

coverd by syllabus

Each concepts are cleared

Good completed

syllabus in completed within time.

exlent

SYLLABUS COVER by 100%

good teaching skills

2. Use of examples, case studies, graphs, diagrams, syllabus related activities like seminar, GD, PPT, etc.

Partial	3	9.1%
Not used / Rarely	5	15.2%

Remarks

Good

effective

Excellent

Not used, no need

BEP graph teches excellent

Examples solved

Doing

Rarely

Ppt has been given

Not used

take all examples which is useful to understand syllabus

Examples graph are given in a proper way.

Easy to understand

Effectively use of examples

Excellent

Seminar was not taken

no account graphs diagrams

As much is needed

GD, PPT, seminar remaining all completed

effective use of graphs

no coment

more examples use in classroom to effectively as exam.

she takes lot of examples and solve all quires

3. Understanding of the subject by student, clearing doubts (syllabus related)

Greater	27	81.8%
More than average	6	18.2%
Average	0	0%
Poor	0	0%

Remarks

Excellent

way of teaching is very nice

good

Cleared as soon as asked

Yes . Nicely done

Good cooperation

Clearing doubts not ignoring

Greater understanding

All clear

Solve the doubt and easy to understanding.

clear all points

Doubts are been cleared. But it is but fast.

I understand the teaching and able to get cleared doubts.

Good

some things which are taught is misunderstood

I understand accounts subject very well

Always takes slowly and we can always have the problem solved personally.

Cleared doubts

Subject understood

yes understud

Teaches awesome

Theory related problems

yes. very clear

yes

whenever mam is teaching problems student understanding this and clearing all issues related to problems.

clears all doubt of students in proper manner

4. Expectations of students fulfilled by the staff: (Notes of important points, notes of important questions, question bank, etc)

Full	26	78.8%
Partial	5	15.2%
Below Expectations	2	6.1%

Remarks

Good

important questions are given.

maam taking all example

Done

Nicely done

Short notes

Need to give

Fully satisfied

Notes have been got

All staff give the all notes and questions for related to exam.

give all notes of important points

Important questions are not given.

Satisfactory

imp questions are coverd by question bank notes

They give us important questions to write down group wise and create the question bank

Notes are provided . And extra sums are also provided.

Notes are given

Yes they are given notes

important que are taught

Ma'am I have taught more nice than our expectations

Good complete

yes. fully completed

fulfill

in account subject no expectations to the staff..

mam solves each and every problem in class

5. Assignments, Seminar

Yes

Good

Class assignments arranged.

it's good

Didn't Give

Completed

No difficulty

Assignments

Participated

Only assignment

Not done

Only assignment taken.

good and clear all doubts

No issues regarding this.

there were few assignments

I completed my assignment and book also

No problem.

Completed Assignment

no comment

Given as much needed

Seminar not complete

good

no difficulty to assignments & seminar.

she takes assignment in class

6. Motivation by the staff

High	28	87.5%
Medium	3	9.4%
Low	1	3.1%

Remarks

Good

nice

very motivated and understanding students doubts and clear it

Nice

Motivated

Should keep it up

High level

Motiveness

Extra questions give for the students.

always motivated

Mam do motivate in a proper way.

Very good

Very high

good one

They also motivate us

Always motivating.

Full motivate student

They are Always co operate

all are motived

Ma'am u don't demotivate us and that z our motivation

yes. she motivate us.

yes

in account subject no motivate by the staff but some student absent in classroom i wish strictly behave this students.

proper motivation

7. Suggestions for improvement (general)

No
no
No suggestions
All is well so no suggestion
Conceptually clear!!!
Short notes not give to us
Should accept the answers of students some it happens
Not suggestitons
No need to improve
My attendance and participation in the sessions &actives is good.
plz take revision
The teaching is too fast. So mam can teach slowly for betterment of everyone.
Mam please repeat LIFO fifo and cost sheet
Already best no suggestions.
no all are good
Take extra activity
Ma'am remain the same
No extra activity complete
no. everything is fine
to more strictly absent students & who students not present in class.
all teachers are intellectual and my suggestions is only that the world is changing day by day and they also come with new and innovative ideas.

Feedback of Asst. Prof. Ashwini Kulkarni (Mathematics & Statistics for Management)

1. Coverage of Syllabus

75%	19	57.6%
50%	1	3%
25% or lesser	0	0%

Remarks

Best

All syllabus is covered.

good

Close to 100 % not yet completed

Nicely

Very fast

Good teaching but fast

Teaches too fast

Nice.

some points are remaining

Have completed 75%.

Excellent

Coverable

one unit yet to complete

Our syllabus will be completed before examination

Still last topics remaining but have taken many problems in the class .

Fast complete syllabus

85% syllabus completed

hypostitcs

Teach the slowly

She teaches as though she z teaching engineers... She teaches very fast

Good but theory releted problems

some points are still uncompleted

hypostics

syllabus cover 100% but very fast cover in last period.

good teaching skills

2. Use of examples, case studies, graphs, diagrams, syllabus related activities like seminar, GD, PPT, etc.

Frequency	Count	Percentage
Partial	11	33.3%
Not used / Rarely	6	18.2%

Remarks

Good

notes are nice

very good

Syllabus related activity nicely done

Fast speed

Partial

Not so good

Better.

take examples and clear it

Not used properly.

Easy to understand the doubt about questions

Yes

Very good

Lot of problems are taken .

Horrible

No Solving Sums

poor

As much needed

GD, Seminar, PPT not complete

effective use

more exceptionation

only use question related examples. not to use other examples and knowledge.

she solves problem in class

3. Understanding of the subject by student, clearing doubts (syllabus related)

Greater	11	34.4%
More than average	11	34.4%
Average	8	25%
Poor	2	6.3%

Remarks

Good

nice teaching method

maam take all examples

Visiting faculty, makes it difficult for doubt solving

Doubts clearance understand

Not time for us

Always helping

Best

Too fast

Very nice.

clear all doubts

The teaching is fast so not able 2 understand.

Excellent

my stst is low and she takes very fast

Because I don't understand statistics

Always available.

Exactly not understand more sums

more expted

She never clears the doubts

Probability repleted doubts

not bad

no

mam is teaching speed is high..sometime student not understand their.so student not to

clear his problems related to question
my maths is weak thats why i didnt understand lot

4. Expectations of students fulfilled by the staff: (Notes of important points, notes of important questions, question bank, etc)

Full	17	51.5%
Partial	14	42.4%
Below Expectations	2	6.1%

Remarks

Good

Better

helpful..

very good

Questions bank

No any of give

Full

Assignment has been done

Better.

give all notes of important points

Notes are not been provided.

She provide all notes

They take examples in our classroom

Good .

Notes are taken

Not given important questions

question bank

She teaches as though she teaches for engineering students

I wants important questions & question bank

sometimes need more guidance

que bank

no expectations.

she solves all queries and ask for extra class also if required

5. Assignments, Seminar

Yes

class assignments are done

no difficulty in assignment

All done

A lot of assignments makes it difficulty to study

Assignment

Assignment

Participated

Only assignment

Completed

Good.

take assignment

More assignment are given which is not good. Time waste

wrote a book full for assignment which is waste of time papers n pen ink

They give our assignment

Given a lot of assignment. And assignment are given at last moment . Burden of writing.

Better

Completed Assignment

no difficulty

As much needed

No any activity complete

no

no difficulty to complete assignment, because some examples in notebook.

she takes assignmets once at the last of syallabus

6. Motivation by the staff

High	16	48.5%
Medium	13	39.4%
Low	4	12.1%

Good

nice nature.

good motivated

Nicely

Not time for us

Keep it on

Medium level

No motivevess

High.

motivate students

No motivation.

Understanding

as said all above

They also motivate us

Motivating to face all problems in positive way .

Motivate

Need of motivation

more exepcted

She doesn't motivate and she doesn't demotivate

no

no motivation of this staff.

she motivates in proper manner

7. Suggestions for improvement (general)

No

all is well so no suggestion

no

Give time for us

Need to teach on board and not orally

Good

Need lot of improvement for teaching slow

Only give the notes explanation not good.

take revision

Teaching is too fast.

No suggestions

Please repeat last chapter

no suggestions

Please assign the assignment early so we get time to complete it.

All problems solve blackboard so we can understand

Solving sums on blackboard

solving problems blackbord

Use the black board

Plz consider the students basic graduation and then teach

Remaining others activity should be complete

speed should be littlebit slow

teaching on bord

to teaching speed is slow down.not to teach very speed.

all teachers are intellectual and my suggestions is only that the world is changing day by day and they also come with new and innovative ideas.

Feedback of Asst. Prof. Mrs. Pratibha Deshmukh (Managerial Economics - Unit 2, 3 & 4)

1. Coverage of Syllabus

100% Completed	31	93.9%
75%	1	3%
50%	0	0%
25% or lesser	1	3%

Remarks

Good

Good.

All topics are covered.

good

Some chapters need revision

Nicely

Good teaching

Some points taught fast

Completed

Completed too early

some points remaining

All completed.

Good

same as before

Will be completed before examination

Covered syllabus

Completed syllabus

good teaching skill

Same as ppm

Good performance

syllabus in covered

all good

syllabus is cover 100% .

she teaches well english communication is good

2. Use of examples, case studies, graphs, diagrams, syllabus related activities like seminar, GD, PPT, etc.

Effective / Usually	23	71.9%
Partial	7	21.9%
Not used / Rarely	2	6.3%

Remarks

Good

Seminars are helpful.

good

Graphs diagrams and seminars

Nice

Case study not solved

Always using eg.

Graphs almost all

Given lot of eg

Graphs and PPT good explanation.

not give seminar and gd

As said before wherever it is needed mam do present proper example and graph.

Easy to under the concept

Yes

same as before

I understand graphs

Probelm in understanding examples.

Graphs repeated

Note taken case studies

yes good teach

Same as ppm

GD no complete

effective use of graphs and diagrams

excellant

because no more examples use in graph,digram to syllabus related.

she gives various examples of all over the world

3. Understanding of the subject by student, clearing doubts (syllabus related)

More than average	7	21.9%
Average	5	15.6%
Poor	0	0%

Remarks

Good

doubts are cleared with proper examples.

not good

Solved whenever asked

Understand

Case study problem

Should always clear and not avoid

Best

All doubts cleared

Teaching method is good.

not clear doubts

Have answered it before.

Easy to under the concept

Yes

same as above

They clear our doubts

Problems in understanding the examples relating them with real life .

Cleared doubts easily

Couldn't more understanding

production function

Same as ppm

Excellent performance

clearly

yes done

because only one problem repeat in class.so not to question in all students.

i understand each and every line of her lecture she clears all the doubt in proper manner

4. Expectations of students fulfilled by the staff: (Notes of important points, notes of important questions, question bank, etc)

Full	21	67.7%
Partial	8	25.8%
Below Expectations	2	6.5%

Remarks

Better

question bank is given.

not good

Yet to be given

Question bank

Give more questions

Some outer points needed

Average

Provided all ques banks

Good.

not give important notes

No problems regarding this.

Good

Yes

same as before

They will give us important questions

Satisfactory.

Clear

Not given notes

excellent

Same as ppm

As per syllables related no any important questions and question bank completed fulfilled with expectations

imp note

to give more examples, points

she gives us important point on blackboard and also important questions

5. Assignments, Seminar

Yes

seminars are helpful

not take assignment by maam

All Done

Given

Nicely done

Seminar on scope of managerial economics

Participated

Seminar only taken

Still on pending

Better performance.

not take any assignment

We do submit.

Yes

same as before

Yes it is useful to me

Happy.

Good

I given seminar

Same as ppm

Good performance

we are giving seminar on Tuesday

on the way

no difficulty in assignment.

assignment are taken after the chapter is over and seminar are also conducted weekly

6. Motivation by the staff

High	18	56.3%
Medium	13	40.6%
Low	1	3.1%

Remarks

Good

Best

nice

not motivated

High

Motivated

Always insulting and partiality and not giving response to some students

Medium

Motive is too good

Medium.

note motivate students

Mam always motive in any condition we ate.

Good

same as before

They motivate us

Bit aggressive sometimes.

Motivate

Need of motivation

yes

Same as ppm

yes. mam motivate us.

best

no motivation of the staff but, unfortunately syllabus covering is so speed in last time.

staff motivates in proper manner and always asked to do positive things

7. Suggestions for improvement (general)

No suggestions.

No

All is well so no suggestions

clear doubt of students

No

Case study answer

Lot to improve in case of behaviour

Important points not given only explanation

No need to improvement

take assignment and case study

No improvement or suggestions required.

No suggestions

Please provide question bank and sample of case study

same as before

Please slow teaching

graphs

Same as ppm

Good performance

no comment

to say staff as absent student not to assignments marks them..this condition is apply in real situation, only some students are free this condition so my question is why? in next semester i & my friends also absent in after 12:30 clock..because no action them students who are absent them..only pressure on students who are present them in classroom,other students is free..

all teachers are intellectual and my suggestions is only that the world is changing day by day and they also come with new and innovative ideas.

Feedback of Prof. N. S. Ambardekar (Managerial Economics - Unit 1)

All notes are available

Below expectations

give all important notes

Notes are been provided.

She provide all notes

no notes

Nicely

Question bank not given. Lectures can be more interesting if more easy examples are taken .

All notes are given

Important questions are not given

que bank

Not satisfied

no imp question

to teach case study how to solving they in class all part mention it.

she gives notes regularly during lectures

5. Assignments, Seminar

Yes

Seminar is arranged.. i am also participated.

good

Done

Completed

Assignment & seminar also

Assignment

Always participated

Problem in case study solving

Not done

Good

good and clear doubts

Assignment are much more.

Yes she takes

wrote big big assinments

Good

Please let us know what u exactly want us to write. Everything cannot be covered in one assignment. We had to rewrite it multiple times .

Nice

Completed

no comment

Asks us to write one assignment 10times

Good.

not objection in assignments.but assignments much more query find them.

she took all the seminar and assignment in proper manner

6. Motivation by the staff

High	16	48.5%
Medium	11	33.3%
Low	6	18.2%

Remarks

Better

nice

good

No

Motivated

Should increase

Medium not so better

Motive is good

High

always motivate students

Never get motivated.

Please use marathi also

Good

Motivate us

No comments.

Motivate students

She doesn't motivate & doesn't demotivate

its ok

She neither motivates nor motivates

Dosent knw to motivate.

no

to use case study and situational based case problems in class clear them
staff motivates in proper manner

7. Suggestions for improvement (general)

No

Explain in marathi

All is well so no suggestions.

give the complete notes

Give support mens explanation

Clear teaching with examples

Not uderstood everything, only points are given

Need to complete portion fast

Support the students.

take revision and test

Clear teaching and slow teaching.

Use marathi also

Please use Marathi also in diagramic explanations

no suggestions

Please add online sites which have notes so that max time you can explain us in detail
and notes we can refer from the books and reference online sites.

Teach properly

case study solve the bord

Not understand the subject

Ma'am change the style of teaching

No comments.

You need improvement in teaching style

solving case study given solvution

same only case study solving & situational process them how to solve teaching them.

all teachers are intellectual and my suggestions is only that the world is changing day by
day and they also come with new and innovative ideas.
